

NAME: _____

PERIOD _____

DATE _____

Before Lesson		Statement	After Lesson	
TRUE	FALSE		TRUE	FALSE
		Trucking is recession proof		
		There are 6 million heavy duty trucks on the road		
		The infrastructure is crumbling		
		There will be more trucks on the road in the future		
		Trucking in urban areas cause delays		
		More things are moved by trucks than rail		
		There is competition between Trucks and Railroads		
		Heavier trucks mean less drivers on the road		
		Half the railroads in America are abandoned		
		The infrastructure is funded through gas taxes
