

SITUATION REPORT No. 2

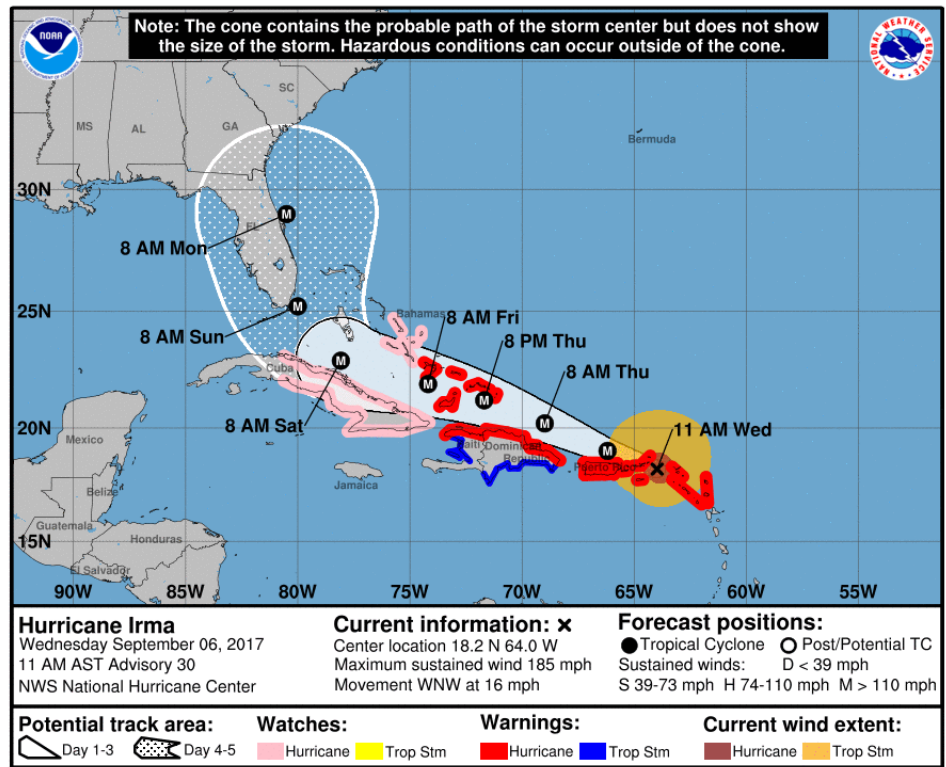

Hurricane Irma

The Florida State Emergency Response Team
 September 6, 2017 - Published at 1300hrs
 State Emergency Operations Center Activation Level: 1
 Reporting Period: Sept. 6, 2017 0700hrs – Sept. 6, 2017 1900hrs
 Information Current as of 1230hrs
 Updated Information in Red

CURRENT SITUATION/ WEATHER SUMMARY:

At 11 AM EDT, Hurricane Irma was located about 65 miles east-southeast of San Juan Puerto Rico. Irma has maximum sustained winds of 185 mph, which makes Irma a Category 5 on the Saffir-Simpson scale. Irma is moving west-northwest at 16 mph. There are currently no tropical or other weather watches and warnings for any part of Florida. South Florida is in the forecast cone and the earliest direct impacts may arrive Friday evening. In the meantime, a typical summertime pattern remains in place across the state with scattered showers and thunderstorms.

STATE ACTIONS:

- SEOC is activated to a Level 1 **with 24-hour operations.**
- Conference call with counties is being conducted daily at 1115 and 1715

Executive Orders (State):

Executive Order Number	Date Signed	Purpose
17-235	09-04-2017	State of Emergency

STATE OFFICE CLOSURES:

- None at this time

OPERATIONAL OBJECTIVES:

1. Ensure basic needs of Florida residents and visitors.

2. Ensure the safety of responders.
3. Provide resource and protective action support for storm related preparations as needed.
4. Promote coordination between State, Local, and SERT Partners.
5. Minimize economic impact of the affected areas or communities.
6. Continue to issue emergency public affairs information concerning the situation in coordination with Florida counties.
7. Keep stakeholders, responders, and the public informed of response and preparedness activities.
8. Ensure staffing capabilities of the SERT and the SEOC.

EMERGENCY SERVICES BRANCH:

ESF 10

- ESF 10 & state parks is working with Army Corps of Engineers and Flagler County for potential berm fortification
- DEP staff is currently conducting baseline shoreline assessment to help evaluate beach impacts.
- Conducting baseline shoreline assessment to help evaluate beach impacts
- The South Florida Water Management District has already begun lowering water levels in canals
- Expecting mandatory park evacuations in DEP Park District 5 as early as 9/6.
- All DEP Guides developed after the 2016 Hurricane Season are posted for county use:
 - Air Curtain Incinerators Guide – Info Tab# 60
 - Post Emergency Asbestos Cleanup Guide – Info Tab# 61
 - Post Storm Open Pile Burning Guidance – Info Tab# 62
 - Post Storm Coastal Construction Control Line – Info Tab# 64
 - Local Government Guide for Emergency Temporary Coastal Armoring Seaward of the CCL – Info Tab# 68
 - Management of Storm Hazardous Waste – Info Tab# 69
 - General Waste Debris Guidance – Info Tab# 70

ESF 16 Law Enforcement

- Identifying resources to be used to support state and county needs

INFRASTRUCTURE BRANCH:

- ESF 1/3 – Transportation & Public Works
 - FDOT staff deployed to SEOC
 - ESF room set up and staffed
 - Weigh station bypass authorization granted to our emergency response vehicles
 - Issued overweight transportation waivers
- Deploying county liaisons
- Activated traffic counters
- Working incoming missions
- Interstate coordination
 - Evacuation Liaison Team (ELT) calls
- Publishing updates to Florida 511
- Preparing construction zones

- Preparing for key evacuation routes for possible shoulder use
- Verifying status of contractors
- Preparing agency infrastructure for possible impacts
- Preparing Florida Turnpike SunPass strike teams
- Contacting all contractors
- Toll suspension expected as of 1700 hrs today
- For Road Closures see:
 - Florida 511: <http://www.fl511.com/>
 - Florida Hwy Patrol: <http://www.flhsmv.gov/fhp/traffic/>
- Bridge Closures
 - Monitoring

Sea Port Status

- All open at this time.

Airport Status

- All major Florida airports are open
- FAA major airport status: <http://www.fly.faa.gov/flyfaa/semapi.jsp>

ESF – 12 Energy

- Monitoring electric transmission, grid and power production,
- Tracking and Reporting power outages and estimated restorations, when appropriate.
- Electric utilities coordinating with mutual aid restoration resources
- In contact with all affected utilities

ESF – 12 Fuels

- Monitoring EM CONSTELLATION missions, monitoring Bulk Fuel Supply, monitoring Fuel Supply along evacuation route(s), monitoring USAR needs. Coordinating emergency fuel resupply.
 - Prepared to survey Fuel supply along evacuation routes for US1 Turnpike, I-75 “from Ft Lauderdale to Tampa”, and I-95 “from Miami to Palm Beach”.
 - Coordinating with State emergency fuel vendor, “Emergency fuel contractor has secured 1.5 million gallons of fuel for initial delivery and confirmed that additional fuel supply for future deliveries. Also, they have sent us a list of available equipment resources available”.
 - Working with FDOT, FDEP, and EPA to get fuel waivers on the summer blend, extended hours of driving and weight limits of trucks
 - Fuel equipment assets available:

HUMAN SERVICES BRANCH:

- ESF 6 is working with support agencies to identify state mass care resources.
- ESF 6 will be reaching out to the counties in the morning to start coordinating with their ESF 6 counterpart using our situational awareness unit to communicate with each county.
- Mass Care Call will begin on 9/5/17

- All Human Services Branch supporting staff and ESF's have reviewed the catastrophic plan and applicable annexes.
- ESF 11 identifying food stock planning release of school supplies
- ESF 15 conducting conference calls FVOAD and county ESF 15 calls and assessing volunteer assets
- ESF 15 working with CERT teams across the state on county EOC support
- ESF 15 A-DART on standby
- ESF 15 coordinating messaging for donations & volunteer management
- ESF 15 coordinating with ARC on shelter support operations
- Establishing Crisis Cleanup
- ESF17 Incident Management Team (IMT) activated.
- ESF17 Locating Incident Command Post in Kissimmee/Osceola County at UF/IFAS Extension Office.
- Continuing to coordinate with State Agricultural Response Team (SART) partners, Florida State Animal Response Coalition (FL SARC) and University of Florida College of Veterinary Medicine on requests for assistance and anticipated needs from counties on pet sheltering, staffing and pet sheltering equipment.
- Conference call scheduled with SART partners at 2:30pm on September 6 to coordinate incident awareness for IMT, and determine possible sheltering needs.
- Gathering unmet needs from counties that may need assistance in pet sheltering.
- Gathering information on horse shelters in Florida, Georgia and Alabama.
- Posting emergency animal sheltering and evacuation information on the Department website.
- Coordinating with ESF6 (Mass Care) for listing of pet-friendly shelters in the state.

Logistics Section

- Coordinating procurement of SLRC and LSA support packages (pending PO)
- Developed and Requested approval for Heavy Equipment Package
- Activated SLRC
- Contracted 300 truckloads of water
- Getting Quotes to procure Heavy Equipment Support for SLRC
- Procuring shuttle service for SLRC
- Requesting Mobile Mini for LSA use
- Coordinating with ESF 11 and ESF 6 to procure water and food
- Preparing to staff and support 3 LSAs and FEMA ISB
 - a. Coordinating RRF for use of CBJTC
 - b. Coordinating MOU for use of Lease Land in Orlando
 - c. Preparing MOU/Lease for use of West Palm Beach Fairgrounds and Lee County Mosquito Control

ESF 14- Business, Industry & Economic Stabilization

- Continuing to manage all media inquiries
- Continuing to manage FEIL with support from partner state agency representatives
- Fielding inquiries for and tracking local county shortages
- Preparing supplemental messaging for local staff and partners regarding evacuation and life safety
- Pushing life safety and protective actions via social media with #FLPrepares hashtag
- Amplifying local and partner messaging via social media
- Working with EOG to meet staffing needs

ESF 18- Business, Industry & Economic Stabilization

- Created event in FLVBEOC for Hurricane Irma and currently updating with up to date storm info including press releases/situation reports. FLVBEOC is available at www.flvbeoc.org.
- Activating Private Sector Hotline: 850-815-4925. Hotline is available for business inquiries about the storm, preparedness information and post-impact information.
- **Conducting Private Sector Coordination Conference Calls.**

Recovery

- Coordinating with FEMA on Recovery Model to push out to counties
- Preparing Info Messages to push out regarding hot topic issues PPDR, waterway debris, Capturing volunteer hours
- Accessing Recovery **desk staff plan and plan for future recovery needs post landfall**
- **Finalizing Individual Assistance Preliminary Damage Assessment Plan**
- **Coordinating with FEMA PA IMAT team.**
- **Pushing out guidelines for berm work/emergency work with Emergency Pre-landfall Declaration.**
